

Hygea®

FLUSHABLE PERSONAL CLEANSING CLOTHS

Safe for sewers and septic systems.*

- **Flushability:** Advanced Flushable Technology® makes the wipe safe for well-maintained sewer and septic systems*, and passes the 3rd Edition INDA / EDANA flushability testing guidelines
- **Focused on Sustainability:** Wipe is made of 100% plant-based material, and soft packaging contains less plastic than tub formats
- **Easy Pop-Up Dispensing:** Wipes dispense like tissues and the snap-shut Solo® lid helps to preserve their moisture
- **Alcohol-Free and pH Balanced:** Hypoallergenic formula contains Aloe and Vitamin E for gentle cleansing of sensitive skin
