An efficient, convenient, one-step alternative to bottled saline and gauze pads.

- Mild, gentle cleansing that is non-irritating and suitable for sensitive skin
- Helps reduce the risk of microbial cross-contamination
- Cost-effective by eliminating waste of bottled saline solution
- Delivers a consistent 3mL dose of sterile saline with every application
- Made in the USA with domestic and imported materials
Recommended uses include

- Cleansing of eye area
- Cleansing skin after post-operative care
- Umbilical cord area care
- General skin cleansing including
  - minor cuts & scrapes
  - after antiseptic application*
  - breasts before nursing
  - diaper area
  - skin prone to diaper rash
