A HEALTHIER FUTURE.

IT’S IN OUR HANDS.

Sani-Hands® Instant Hand Sanitizing Wipes are designed for everyone—including Staff, Patients and Visitors alike.
Alcohol based hand wipes are now compliant with new SHEA/IDSA HAI Compendium for Hand Hygiene.¹

PDI has a complete wipe solution including Sani-Hands® Instant Hand Sanitizing Wipes (alcohol-based hand wipes). PDI also provides hand hygiene education, compliance tools, and additional resources.¹

🌟 DID YOU KNOW?

SHEA/IDSA now state that alcohol-containing hand wipes are a convenient option for bed-bound patients, first responders, and others who cannot easily access soap and water.¹

IS YOUR HEALTHCARE SYSTEM FULLY COVERED?

1. Patient Population
2. Staff Population
3. Visitor Population

PDI offers a full line of hand hygiene solutions specifically designed for all areas in your facility.

#1 Hand Wipe in Healthcare
Hand Hygiene Success Stories

When Sani-Hands® wipes were added to a Stem Cell Transplant Unit:2,4

- A significant reduction in prevalence of multi-drug resistant organisms was observed
  VRE, MRSA, CRE

When Sani-Hands® wipes were added to a hematology-oncology unit’s infection prevention program:2,5

- Blood Stream Infections decreased over a 5-month period
- 94% of patients reported cleaning their hands more often when given Sani-Hands® wipes
