

The Power Pair.

Two solutions, one clean outcome.

Easy Screen® Cleaning Wipe

- + 70% isopropyl alcohol (IPA) cleaner designed to clean external areas of energized electronic equipment
- + Compatible with touchscreen healthcare equipment, tablets and smart phones²
- + Fast drying, no residue, anti-fogging and anti-streaking

PDI Safety Station

- + Can be placed in entryways and high-traffic areas
- + Provides easy access for cleaning touchscreens and sanitizing hands

Sani-Hands® Instant Hand Sanitizing Wipes

- + Provides convenient hand hygiene when soap and water are not available
- + Physically removes dirt/soil better than alcohol gel or foam³
- + Safe to use before eating and drinking⁴

Why it is important to clean your screens and hands...

Your phone can house
17,000 germs⁵

Your hands can have
4.6 million bacteria⁶

Point-of-care accessories.
