

Providing personal hygiene  
one patient at a time.

Hygea®

  
BE THE DIFFERENCE™

## Moist Toilet Tissue

**Hygea Moist Toilet Tissue** with SecureFlush® technology is a flushable wipe made of a 100% cellulose nonwoven material that offers responsible care for your patient and your plumbing.

- + 100% plant-based and plastic-free wipe
- + Superior dispersibility: breaks apart 5x faster than leading toilet paper brand
- + Dermatologist-tested: gentle on sensitive skin and hypoallergenic<sup>1</sup>
- + Pediatrician-tested: safe on children's skin<sup>2</sup>
- + Not made with natural rubber latex, alcohol, or parabens<sup>†</sup>
- + Contains aloe and vitamin E
- + Safe for sewers and septic systems<sup>3</sup>

Reorder # A2067S42

about our  
**Hygea Moist  
Toilet Tissue:**

## Flushable Personal Cleansing Cloths

**Hygea Flushable Wipes** feature an enhanced cleansing formula infused with aloe and vitamin E. They cleanse and refresh better than toilet paper alone and are safe for sewers and septic systems.<sup>3</sup>

- + Not made with natural rubber latex, alcohol, or parabens<sup>†</sup>
- + Dermatologist-tested: gentle on sensitive skin<sup>4</sup>
- + Hypoallergenic and pH-balanced<sup>4</sup>
- + One-handed, tissue-like dispensing
- + 100% plant-based wipe
- + Premium thickness

Reorder # A500F48

## Multi-Purpose Washcloths

**Hygea Multi-Purpose Washcloths** are strong, disposable cloths ideal for cleansing and refreshing patients. The premoistened washcloths are gentle enough to use on all areas of the body, including the face and neck.<sup>5</sup> Available in a variety of formats.

- + Premium version offers a larger, thicker wipe
- + Available in closing lid, resealable lid, and individual packet formats
- + Removes dirt, sweat, soot, and grime from skin
- + Ideal for large-area cleaning and incontinence care
- + Gentle on sensitive skin<sup>5</sup>
- + Hypoallergenic and pH-balanced<sup>5</sup>
- + Moisturizing formula with aloe, lanolin, and vitamin E
- + Not made with natural rubber latex, alcohol, or parabens<sup>¥</sup>
