NNC BABY WIPE PRODUCT REPLACEMENT

PDI now offers **PDI® Fragrance-Free Baby Wipes**! Crafted with naturally derived ingredients, our **pH-balanced, hypoallergenic** baby wipes are clinically proven **safe on eczema-prone skin** and provide **gentle one-step cleansing and moisturizing**. Our dermatologist-tested formula can **soothe dry skin** and **reduce redness** to help maintain healthy skin. **PDI® Fragrance-Free Baby Wipes** are packaged in 80 and 40 count soft packs and will **replace the discontinued 80 and 40 count Nice 'n Clean Unscented Baby Wipes (SKU# M233XT, Q70040) and Nice 'n Clean Scented Baby Wipes (M225XT, Q34540)**. Please contact your distributor to order M41580 and A62640.

Discontinued:
